_____2017

I am writing to you on behalf of Stampede of Dreams, a non-profit organization established in 2009 to provide quality Equine Assisted Horseback Riding Lessons that provides therapeutic benefits for children and adults with special needs. Children and adults with the following disabilities receive our therapeutic benefits: Muscular Dystrophy, Cerebral Palsy, Multiple Sclerosis, Visual Impairment, Spina Bifida, Down Syndrome, Autism, Learning Disabilities, Attention Deficit Disorder, Emotional Disabilities, Deafness, Brain Injuries, Spinal Cord Injuries, Amputations, Cardiovascular accident, and stroke. Our organization is dedicated to the process of making that happen but we need your help.

Stampede of Dreams is having our third annual 5K run October 7, 2017 to help to support our program. Your donations go towards horse care, supplies, and program needs. The ultimate goal is to purchase our own facility. You can be a part of that excitement by supporting our 5K run with a sponsorship or the donation of an item or gift certificate we can use for prizes. For your sponsorship of a minimum of \$100.00, we will happily acknowledge your donation on our website, on the course the day of the event and as a sponsor of the event your name or your business name can be displayed on the t-shirts that are given to the participants (unless you prefer otherwise).

I would like to thank you for considering this opportunity to partner with our organization to raise the needed funds. If you have any questions regarding our organization or the project itself, please feel free to contact me at _____.

Thank You,

Mission Statement:

To use the therapeutic benefit of horses, with the compassion and dedication of our volunteers to provide individuals with special abilities the opportunity to experience their own personal healing and to reach their fullest potential.

Stampede of Dreams is a member of PATH - Professional Association of Therapeutic Horsemanship International.
